

Job Description - Body & Mind

Job Title: General Psychologist - NDIS (On-site)

Location: Malvern, Melbourne VIC

Requirements:

- AHPRA-registered General Psychologist

About the role: We are seeking an AHPRA-registered General Psychologist to provide face-to-face services to NDIS participants across the lifespan, with a strong focus on supporting children and families. This role offers flexibility, manageable caseloads, strong clinical support, and the opportunity to work within a collaborative allied health environment.

Responsibilities:

- Deliver evidence-based psychological interventions and assessments for NDIS participants
- Support clients to achieve meaningful goals and improve independence
- Conduct clinical interviews, risk assessments, and treatment planning
- Prepare reports and supporting documentation for the NDIS and stakeholders
- Collaborate with multidisciplinary care teams and allied health professionals
- Maintain accurate clinical notes and reporting requirements

About you:

- AHPRA-registered General Psychologist
- Experience working with NDIS participants, particularly children and families
- Strong communication, organisation, and time management skills
- A neuro-affirming and client-centred approach
- Experience with mindfulness-based approaches is highly regarded
